Median estimated value in Adare for houses.

\$558,000

\$832,000

Data sourced from realestate.com.au.

Median estimated value (Median AVM) reflect mid/high confidence valuations for properties in each suburb. 6 month change in median value is calculated by comparing 6 month ending Dec 2024 and 6 month ending June 2025. Suburbs with <10 property listings are excluded.
